Advancing Your Research through Private Funding

Pop in for an informal chat designed to help faculty explore opportunities and strategies for philanthropic funding. This relaxed session offers a chance to connect with colleagues and advancement staff while enjoying coffee and light snacks.

Date: November 13, 2025

Time: 10:00am-3:00pm

Location: 10th floor green room
(10D), BJC Institute of Health

During Office Hours, You Can:

- Share information about your research, clinical, or educational program
- Get help identifying specific grants or philanthropic funding opportunities
- Receive feedback on a current or upcoming grant proposal
- Seek advice and guidance on engaging with private foundations or individual donors
- Learn how to build and leverage your professional network for philanthropic support
- Discuss ideas, ask questions, and collaborate on proposal strategies with peers and advancement staff

No RSVP required.

Please email our team at medcfr@wustl.edu if you have any questions.
